

AI Comic Starter Sheet

Create Your Own Comic Using AI Tools and Your Imagination!

Includes prompt ideas and a 3-panel comic planning worksheet.

Try These AI Prompts to Start Your Comic:

■ Basic Prompt:

"Write a 3-panel comic about a robot pirate who finds bubblegum treasure."

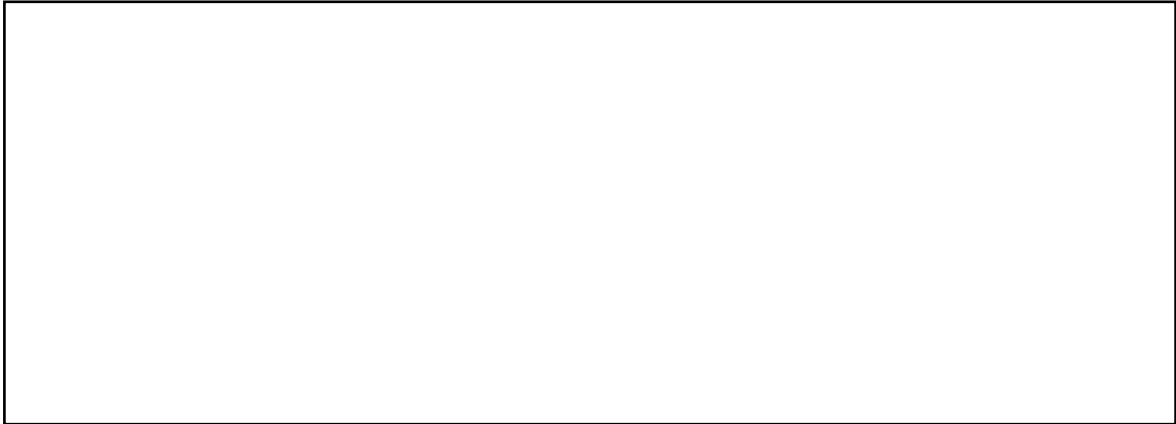

■ Advanced Prompt:

"You are a funny kids' comic writer. Create a short 3-panel comic idea where a pirate robot finds a treasure map, fights a sea monster, and discovers the treasure is magical bubblegum that makes him fly."

■ Use AI art tools: DALL·E, Bing Image Creator, or Craiyon

Comic Panel Planner (Part 1)

Panel 1: What happens first?

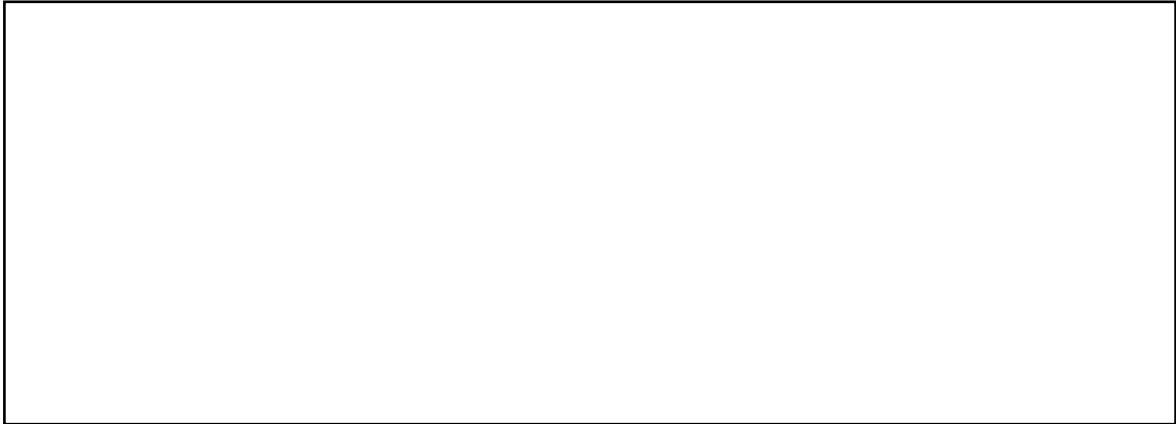

Panel 2: What's the middle or the problem?

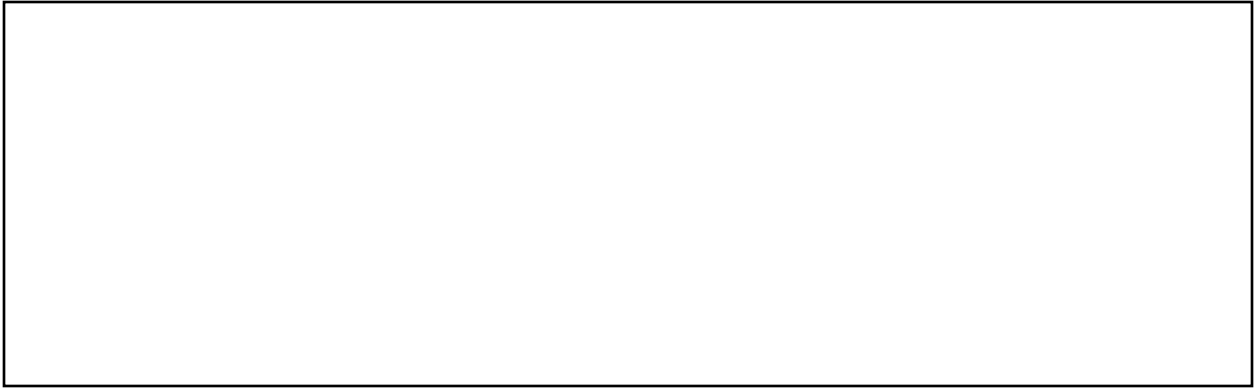

Comic Panel Planner (Part 2)

Panel 3: How does it end or get solved?

A large, empty rectangular box with a thin black border, intended for drawing the comic panel. It is positioned below the text 'Panel 3: How does it end or get solved?'. The box is currently blank, providing space for the user to sketch their comic panel.
