

My First AI Storybook

A Guided Prompt & Story Planner for Kids

Made with help from ChatGPT and your imagination!

Welcome to Your AI Storybook!

This activity guide helps you create your very own story using tools like ChatGPT or StoryWizard.ai. You'll find fun prompts to help you get started, and worksheet pages to build your story step-by-step. You can write, draw, and let your imagination take over!

Try These AI Prompts to Get Started:

■ Basic Prompt:

"Write a story for a child about a sloth who builds a robot to win a race."

■ Advanced Prompt:

"You are a fun kids' author. Write a short story with a beginning, middle, and end about a sloth who builds a robot to race across a jungle. Make it imaginative and fun, and add some silly details."

■ Use With: ChatGPT, StoryWizard.ai, Poe, or other AI tools.
